

where's the potty?

Making potty training full of fun!

This fun and easy game will help your little one get used to their potty.

Here's how it works:

- 1.** Put the potty in a room other than the bathroom.
- 2.** Get your timer ready.
- 3.** Ask your little one to find it as fast as they can. 3...2...1... GO!
- 4.** When they find it, it's time to take it back where it belongs
...in the bathroom.

Now it's time to do it all over again! Keep your little one entertained and motivated by asking them if they can do better than their previous time.

This game is highly active and lets your little one start seeing the potty chair as something fun - and also teaches them the right place to go potty!
